## WORK EXPERIENCE

### Freelance Graphic Design

Part Time Designer  
2017-2022

My professional design work has focused on short term design contracts as well as smaller projects. The nature of this work has included videography, video editing, motion graphics, marketing materials, as well as photography and illustration work.

### Target / Home Care

Fulfillment Specialist  
2021-2022

During this time, my parents developed multiple health related issues, requiring me to return home to assist them. My role at Target allowed me a flexible schedule and provided a challenging, team based environment requiring good time management.

### Geek Squad

Repair/Triage Agent  
2018-2021

After college I chose to pursue an additional trade in appliance and television repair. In this role I was responsible for both the diagnosis and repair of different consumer electronics, requiring the application both technical knowledge and practical skill.

### The University of Akron Press

Student Assistant Graphic Designer  
2015-2017

This role provided invaluable professional design experience. My duties included creating advertising materials, developing page layouts and cover designs while working with clients and my art director to produce attractive marketing materials.

### Kimble Companies

Seasonal Assistant  
2013-2015

This position took place during the first few summers of my college career. My duties involved performing the physical aspects of the drivers' responsibilities. This included the removal of waste, recycling, and required both time management and teamwork.
